Passing this day (the 11th) over the Penn R.R. on arriving at a place bet. Mexico & Pennysville found that a slide had occurred from the incessant rains that have prevailed. Near an acre of ground had moved from its place covering the track some 10 feet or so. The excitement relation to transferring passengers & baggage from such of the trains on opposite sides of the slide was great & interesting. During the time it rained in torrents. Indeed rain poured down during the greater part of the day. The rivers were mad - Arrived in Phila 6 o'clk just 8 hours behind time. Called on Robt. P. Kane Esq. saw Dr K the young Dr. [[end page]] [[start page]] (Hall) [[remained of page torn out]]

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
