POSTSCRIPT

Since the Convention, Angela Davis has been released on bail, a resounding people's victory. However, it is only a partial victory. We must make it crystal clear that the only complete victory in Angela's case will be when the people's movement will have succeeded in turning this frame-up into a defeat for Reagan and Nixon, and acquittal - complete freedom - for Angela Davis.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
