[[underlined]]For Prize Contest[[/underlined]]

The W. Atlee Burpee Seed Co.

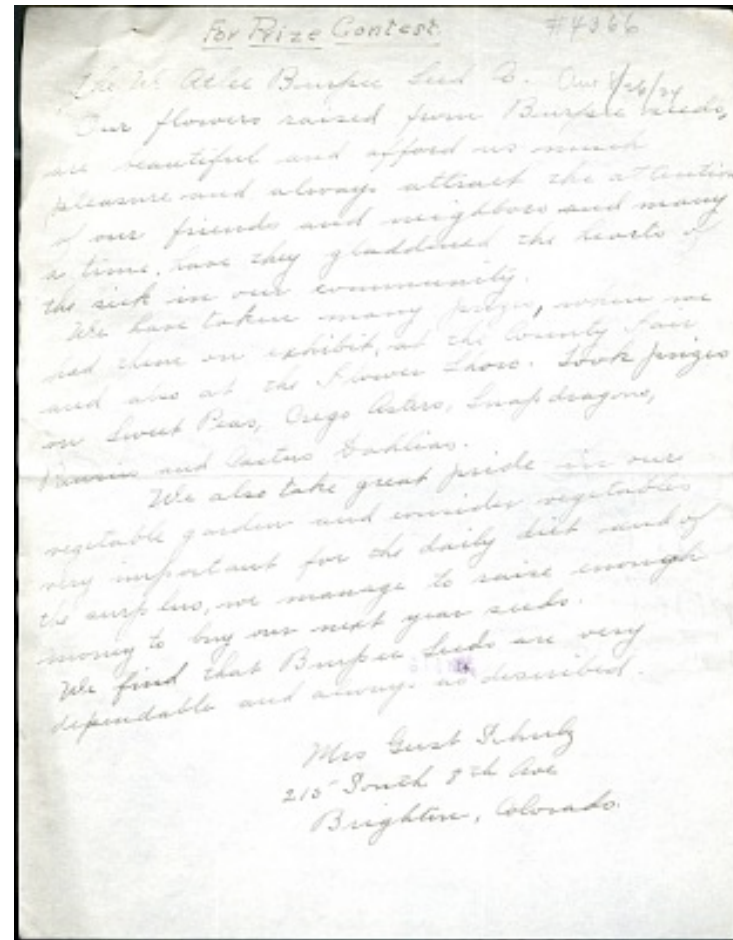

Our flowers raised from Burpee seeds, are beautiful and afford us much pleasure and always attract the attention of our friends and neighbors and many a time, have they gladdened the hearts of the sick in our community.

We have taken many prizes, where we had them on exhibit, at the County Fair and also at the Flower Show. Took prizes on Sweet Peas, Crego Asters, Snap dragons, Pansies and Cactus Dahlias.

We also take great pride in our vegetable garden and consider vegetables very important for the daily diet and of the surplus, we manage to raise enough money to buy our next year seeds.

We find that Burpee Seeds are very dependable and always as described.

Mrs Gust Schulz
215 South 8th Ave
Brighton, Colorado.

A handwritten letter on aged paper, titled "For Prize Contest" with the number "#4366" in the top right corner. The text is written in cursive and describes the writer's experience with Burpee seeds, mentioning prizes won at a county fair and flower show, and the importance of a vegetable garden. The letter is signed "Mrs Gust Schulz" with the address "215 South 8th Ave Brighton, Colorado." at the bottom right.

For Prize Contest. #4366

The W. Atlee Burpee Seed Co. Our friends,
Our flowers raised from Burpee seeds,
are beautiful and afford us much
pleasure and always attract the attention
of our friends and neighbors and many
a time, have they gladdened the hearts of
the sick in our community.

We have taken many prizes, where we
had them on exhibit, at the County Fair
and also at the Flower Show. Took prizes
on Sweet Peas, Crego Asters, Snap dragons,
Pansies and Cactus Dahlias.

We also take great pride in our
vegetable garden and consider vegetables
very important for the daily diet and of
the surplus, we manage to raise enough
money to buy our next year seeds.

We find that Burpee seeds are very
dependable and always as described.

Mrs Gust Schulz
215 South 8th Ave
Brighton, Colorado.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
