your catalogue and planning her garden for next year.

We had already tested the virtue of Burpee's vegetable seeds. We know they always grow under any reasonable conditions. We have found that with the expenditure of a few dollars we we had enough fresh vegetables for our own use and plenty to give away. My son has even made a small profit by selling some of our surplus.

Yours gratefully

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
