rather one Verona than a thousand Milans. And of the garden - well some day when <sup>so many of</sup> the attractions of Venice can not be seen from my window, directly in front of ~~the~~ San Giorgio - I will be better able to express my opinions of Giusti, also of Venice. Would you call me unbalanced if I should tell you that in my humble opinion Whistlers "Little Venice" is more beautiful than Venice herself seen from the same point of view. Not that I would detract one single item from the superb magnificence of this glorious city, but give honor to whom it is due. I was delighted to receive your cable giving such comforting news concerning Watson and to know that you are all well. With cordial greetings to all -  
Faithfully C.L. Freer

## Smithsonian Institution

*Freer Gallery of Art and Arthur M. Sackler Gallery*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
