above the line. I wish the latter might have been lower as I fear a high light in Paris will mean just what it did in Chicago - a very bad light for the picture. I am picking up an occasional print and bronzes and two or three boxes will soon be forwarded to my address in Detroit. Arthur & Brown of this city are my shoppers and correspondents. Should any arrive before [[diagonal note - "omit"]]

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
