[[image - color photograph of a side of a Chrysler New Yorker and a view of the interior]]

The New York Chrysler New Yorker. Turbo-charged power. Front-wheel drive. Even when you're sitting in the lap of luxury, you're still in the driver's seat.

The moment you enter your Chrysler New Yorker, you enter a world of luxury.

A world of inner quiet that shields you from blaring city noise. Power systems that instill a strong sense of command.

But Chrysler New Yorker's luxury extends far beyond mere comforts and conveniences. Chrysler believes a luxury car should also be an incredible driving car.

That's why New Yorker's front-wheel drive and positive-response suspension are designed to give agility and control. You can sail into a tight turn with quiet confidence. That's why New Yorker offers you the option of turbo power. So you won't feel intimidated by frantic freeways.

And whether you buy or lease, New Yorker gives you a 5-year or 50,000-mile Protection Plan.\* Even your turbo is covered.

New Yorker...luxury that has kept pace with the technology of driving. Because even when you're sitting in the lap of luxury, Chrysler wants you to be in the driver's seat.

Division of Chrysler Motors

Test drive today's New Yorker. At your Chrysler-Plymouth dealer. Buckle up for safety.

Chrysler. Driving to be the best.

Chrysler Motors: Best-built, best-backed American cars and trucks.\*\*

[[image - color photograph of a Chrysler New Yorker driving past a construction warning barrier]]

\*Powertrain and against outer body rust-through. See limited warranty at dealer. Restrictions apply. \*\*Based on survey of owner problems with '86 cars and light trucks (combined) designed and built in N. America and sold Oct.-Nov.'85 (5 month avg. usage) and on a warranty comparison of competitively priced models.

## Smithsonian Institution

*National Museum of African American History and Culture*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
