The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the following terms.

- If sharing the material in personal and educational contexts, please cite the Archives of American Art as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Archives of American Art website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Archives of American Art or transcribe@si.edu

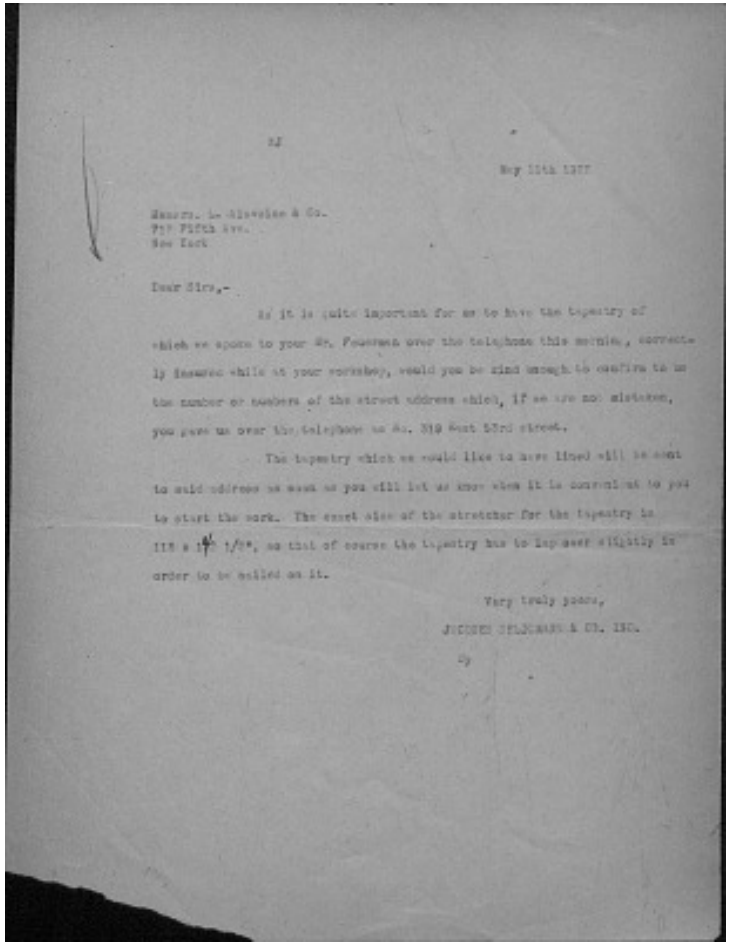

For more information on this project and related material, contact the Archives of American Art. See this project and other collections in the Smithsonian Transcription Center.

May 11th 1922

Messrs. L. Alavoine & Co.
712 Fifth Ave.
New York

Dear Sirs,-
As it is quite important for us to have the tapestry of which we spoke to your Mr. Feuerman over the telephone this morning, correct-ly insured while your workshop, would you be enough to confirm to us the number or numbers of the street address which, if we are not mistaken, you have us over the telephone as No. 319 East 53rd street.
The tapestry which we would like to have lined will be sent to said address as soon as you will let us know when it is convenient to you to start the work. The exact size of the stretcher for the tapestry is 113 x 142 1/2", so that of course the tapestry has to lap over slightly in order to be nailed on it.
Very truly yours,
JACQUES SELIGMANN & CO. INC.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
