Mr. Albert A. Lewis,
c/o Lewis & Valentine,
Roslyn, L.I.

My dear Mr. Lewis:-

Our friend Mr. Gréber is having all kinds of trouble regarding his departure from the other side. He was to sail on the Espagne and the day before the boat was to go he was notified that she was withdrawn for an indefinite time. As the travelling is a very heavy one just now he was evidently unable to get accommodations until the 19th. I hope that nothing will again interfere with his departure and that he will arrive in New York before the end of this month.

Regarding the Frick matter, I beg to say that I have arranged it in such a manner that as soon as Mr. Gréber arrives he will be introduced in the right manner to Sir Charles Allom and with all the support which will make it possible for him to get either the Frick job or others in which Allom has something to say.

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
