Dear Sirs;

Our ^{tenant} ~~[[inserted]]~~ W. Eugene Meyer was telling me that you were restoring the fine family picture he has & I mentioned a "Murillo" I have here which I wish to dispose of + he said "Why don't you try Seligmann", so, all I know about the authenticity of the "Murillo" is that the Priest who sold it out of his church near Seville, Spain, said it was. I am sending you a Photo of it + I hope you will be interested enough to look at it when in the neighborhood -

Truly yours;
E.B. Whiting

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
