paths we shall become "first of all." All over this country, there are Alpha brothers who are taking the lead in the educational advancement of our people. They now join hands with you in an enthusiastic acclaim of your advancement and beseech you to carry on, as you take up your new work, "the aims of our dear fraternity", - "Manly deeds, scholarship and love for all mankind".

If at any time, you need these thousands of college men from the colleges and universities of America, be assured that you have only to call and we will respond. To Alpha Nu Lambda there at Tuskegee, we delegate the task of sounding the battle-cry. We are with you in the OLD ALPHA SPIRIT, now and hereafter.

With every good wish,

Sincerely and Fraternally yours,

THE ALPHA PHI ALPHA FRATERNITY,

[[?]] H. Wesley

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
