March 23, 1953

Dr. F. D. Patterson, President
Tuskegee Institute, Alabama

Dear Friend:

I read, with regret, articles in the news concerning your resignation as president of Tuskegee Institute, my Alma Mater. I wish that you could have found it possible to have remained longer. Since you are leaving, I hope that you will help the Board of Education to select another fine president like you and the two past presidents. I have much interest in the institution, as you know, and I hope that it will continue to hold a high place in the hearts and minds of the American people.

Much success to you and family in your new field of labor. I know that you will make good. God bless you.

Respectfully yours,
signature[[C.A Jackson]]

Anacostia Community Museum Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
