(Jan, 20-Feb. 18) AQUARIUS THE WATER BEARER

Aquarians aspire to high positions, but under the influence of their water sign most end up as waitresses and busboys. Aquarius youths who are athletically inclined usually flunk the team but make excellent waterboys. A large number of the smaller children are natural bed-sprinklers and some make an excellent living when they become certified and turn professional. Many perform their specialty in TV commercials and on late night variety shows. For some adults, water on the knee is a problem. If it freezes, it can result in severely chapped hips. Persons born on February 14 get birthday cards and

## Smithsonian Institution

*National Museum of American History*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
