home is in New York, died suddenly of heart disease, last night. How strange it seems that so many tragic endings happen to the lives of Ledyard's relatives! We were all glad to learn of your comfortable crossing, and I fancy you are about to start for Holland.

Wishing both yourself and Henry the pleasantest of experiences during your travels, I remain,

Yours very sincerely,

[[signed]] Charles L. Freer [[/signed]]

P.S. I enclose a few newspaper clippings which may interest you.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
