Mr. Whistler's work given under the auspices of the Royal Scottish Academy. It included some magnificent pictures, but in no wise compared with Boston in variety, completeness, or effect. Next year, both London and Paris are to vie with each other in similar memorials and it is likely that great strife will up between the two cities in their En-

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
