14th January 1964.

Mr. Germain Seligman,
5 East 57th Street,
New York 22, N.Y.,
U.S.A.

Dear Germain,

I thank you for your letter of the 10th January and also for your cheque for £225 for the Couture pastel which I hope has reached you by now. I am afraid there is no particular pedigree I can give you as I bought the drawing in the London trade. I understand from Messrs. Chenue that the consignment went charges forward, which was a mistake and I have credited you with £2.17.6. for packing, insurance and postage.

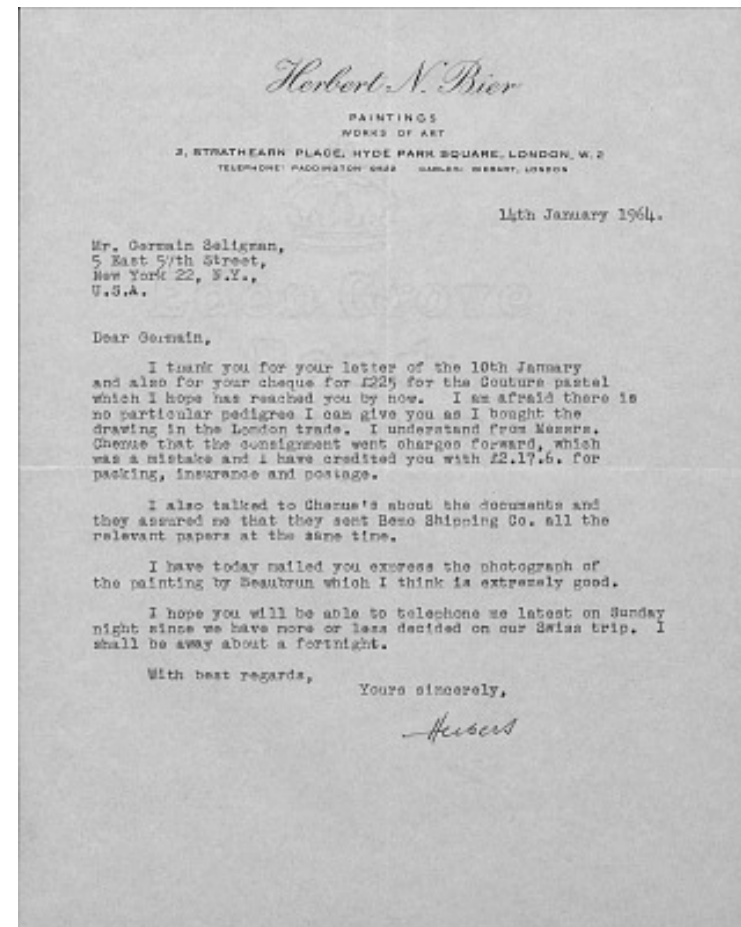

I also talked to Chenue's about the documents and they assured me that they sent Bemo Shipping Co. all the relevant papers at the same time.

I have today mailed you express the photograph of the painting by Beaubrun which I think is extremely good.

I hope you will be able to telephone me latest on Sunday night since we have more or less decided on our Swiss trip. I shall be away about a fortnight.

With best regards,
Yours sincerely,

[[signed]] Herbert [[/signed]]

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
