No. 12.
Water Falls, painted by
Tung Yuan of the Sung dynasty.
1. 68." in. w. 37.4" in.

[[in pencil] S J [[/in pencil]]

Tung Yuan, or Tung Peh Yuan, whose life has been referred to in another connection, was skilled in painting landscapes.

This depicts a mountain scenery in a bright sunny day; in the distance can be seen mountain peaks rolling one upon another. From the rocks, the falls with swift waters running down upon the ridges below. Besides there is the mountain village life; the bridge and the cottages all well arranged.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
